

Commanders' Classics

Sidecar

\$10.00

This classic cocktail is one ride you'll gladly give up the wheel for. Hartley Brandy, triple sec, fresh lemon with a sugar rim.

Sazerac

\$9.00

The official cocktail of New Orleans! Our modern-day interpretation is made with a perfect balance of Sazerac Rye Whiskey, Herbsaint, a few dashes of bitters and a twist of lemon to finish it off.

Whiskey Smash

\$10.00

Maker's Mark, orange liqueur, muddled mint, lemon, sugar, and crushed ice are added for a real thirst quencher, Southern style.

Tequila Mockingbird 2

\$13.00

Our original creation, with what we later discovered was a not-so-original name. We liked this drink so much we named it twice. Tequila and lemoncello combine to create a tart treat so nice you'll order it twice.

Crescent City Cooler

\$9.50

This cocktail is light and invigorating with fresh lime, ginger ale, guava rum and bitters. Drink up!
